The Orono Agricultural Society is a “Not for Profit” organization, established in 1852. The Society prides itself in hosting family oriented agricultural events and entertainment.

2022 Orono Fair was a huge success with amazing weather! After two years of not being able to get together in person we saw a record-breaking attendance, there were many new faces and for the first time our Friday Night Concert headliner, James Barker Band was a sellout. Our record-breaking year would not have been possible without our amazing sponsors.

Plans are underway for another great fair that celebrates our 169th anniversary. Save the date, September 7th – 10th 2023. We are planning for some new attractions and old favorites. Our Friday Night Concert headliner is Blue Rodeo and is sure to be astounding.

Our Society is organized and run by a group of dedicated hardworking volunteers. Events like these are not possible without the generous support from corporate sponsors and individual donors like you. The Orono Agricultural Society appreciates and recognizes the support it receives to make these events possible, and we would like to thank you again for your generous contributions in the past.

Now more than ever your support is welcomed and very much appreciated! Please contact us to discuss sponsorship options to support the Orono Agricultural Society and its activities for the community.

Thank you in advance.

A Brief Description of Events:

169th Orono Fair, September 7th – 10th 2023

The Orono Fair will once again return to the fairgrounds this September. After attracting over 40,000 in 2022 after two years of not being able to get together in person. Fair goers were treated to the old favorites, Albion Amusements & Midway, Truck & Tractor Pull, Demolition Cross Derby and much more. Education is a strong component of the fair and our visitors were treated throughout the grounds with interactive learning regarding agriculture, where their food comes from and how it is produced. Over that last several years the Orono Agricultural Society has hosted a Friday evening concert on our fairgrounds. Our concert committee works hard to search for CCMA's that will perform a standout show and last year was no exception. We had a sell out for James Barker Band. For 2023 will have Blue Rodeo headlining our Friday Night Concert.
